

ABOUT OUR CLUB – SYNOPSIS ON PURPOSE AND GOALS

The Sleepy Hollow German Shorthaired Pointer Club is a “not for profit” Breed Specific Dog Club. We were founded in 1988 by a small unit of very dedicated GSP people. Throughout the years, we have grown to expand our horizons as we continue to promote the health and welfare of the Versatile GSP.

The Sleepy Hollow GSPC, is an American Kennel Club Sanctioned Specialty Breed Club. SHGSPC is also a member club of the German Shorthaired Pointer Club of America. We promote the responsible breeding of the purebred GSP. We urge members and breeders to accept the standard of the breed approved by the American Kennel Club, as the only standard of excellence. The SHGSP Club conducts Sanctioned Specialty Breed Shows, Obedience Trials, and Field Events held under the Rules and Regulations of the American Kennel Club.

Our Club is about... Good Sportsmanship - Our members, their enjoyment of the sport and willingness of their dogs. Education - Learning through the exchange of knowledge within the membership.

PRESIDENT’S MESSAGE – THIERRY CROIZER

Dear Member:

I hope you and your GSP are able to enjoy this summer weather between the rain and heat extremes.

At the June meeting in New Paltz I was voted in as President, succeeding Kimberly Petts. She excelled as President and managed the duties even during the challenges of COVID. I hope I can follow in my predecessor’s footprints and move our club forward as Kimberly did. Although she is no longer President, she still is on the Board – she cannot get rid of us that easily! I just wanted to say - Thank you (Merci) Kimberly for all you have done for the SHGSPC and its members!

Our Summer Specialty Show in New Paltz had a record number of entries. Everyone that attended had a wonderful time despite the less than perfect weather. Thank you to the show committee and all the members that worked behind the scenes to make this a successful SHGSPC event! Thank you to all the volunteers for their time and to all those that donated food, prizes, raffle, and auction items! A HUGE CONGRATULATIONS to Charlie Mallory and Jane Rae on their being voted in as Life Members for the SHGSPC! They have done so much for the club and the breed - the Life Membership was a well-deserved accolade!

Exciting news about general meetings... we now have the option to utilize ZOOM to hold general membership meetings. This will allow members to attend virtually, benefiting those unable to attend due to distance. Keep an eye on your email for the meeting announcements and join us if you haven’t done so in the past– it’s a great way to find out what is going on.

Remember to keep your calendars open for upcoming club events - hunt tests, rallies and more!

Enjoy your Summer with your pups – remember Fall is only right around the corner.

Thierry

Notice from Sandy Clark: On June 29th I sent out an email blast to the Membership, welcoming our new members to SHGSPC. Unfortunately, there was a typo on Polly DeMille’s first name. Welcome POLLY! – Apologies, Sandy.”

NEW LIFE MEMBERS: DENISE AVERY

The By-Laws of the Sleepy Hollow GSP Club state the following under the membership section: Life Members - any past or present member, having rendered outstanding service to the Club over a significant period of time, may be proposed as a Life Member by any member of the Board of Directors for election to Life Membership by the Club at the Annual Meeting.

It is my pleasure to share that Charles Mallory and Jane Rae were granted Life Membership status at the Annual Meeting held on June 24th, 2023. "Having rendered outstanding service to the Club over a significant period of time" is truly an understatement when it comes to these 2.

Charley had held the office of Treasurer for the last 15 years. He also singlehandedly ran the Sunshine Committee for probably just as many years. Charley could be depended on to attend and help at every event the club held, as well as always a positive contributor at meetings. He was steadfast in his role as Treasurer, from the banking end of it to working with the accountant, insurance company and having checks or gift cards for judges. He coordinated the restaurants for all the Club dinners.

Jane wore many hats over the years-President, Hunt Test Chairperson, Education Committee Chair, Director, Show Committee member. She housed and transported the club supplies (tables, tents, coolers, paper goods etc.) for so, so many events. She hosted potluck meetings and educational events at her lovely home. A true educator at heart, she taught us about genetics, coat patterns and structure at several meeting programs.

I am sure I just barely touched on the tip of what Charley and Jane have done for the Club.

Congratulations to you both on this well-deserved recognition!
